Facts Common To All Claims

8. API is an “employer” as that term is defined in Section 203 of the FLSA, because it is a privately owned for-profit entity in the business of painting residential and commercial properties.

9. Aufiero is an “employer” as that term is defined in Section 203 of the FLSA, because: (1) they were Plaintiff’s head “boss” at API; (2) they had the power to hire and fire the employees, including Plaintiff; (3) they supervised and controlled Plaintiff’s work schedules and conditions of employment; (4) they determined the rate and method of payment for employees; and (5) they maintained employment records.

12. At all times, Plaintiff held the same position at API, they were a painter and he assisted with training other painters. Defendant knew or should have known that Plaintiff was entitled to time-and-a-half wages for hours worked in excess of 40 per week, and thus its conduct was willful.
